SITUATION ANALYSIS FY 23-24 FY 24-25 STRATEGIC DIRECTION FUTURE STRATEGIC PLANNING **QUESTIONS?**

WHERE HAVE WE BEEN IN FY 23-24

- The Real Unreal campaign has been well received but maybe not be as straightforward as it should be about stewardship and responsible travel
- LATE start to summer 2023 (Tioga Pass, Lakes Basin, Devils Postpile)
- Despite massive snow challenges and late summer start, we saw strong business and government revenues continue with visitation and revenues up 10-18% for Aug Oct.
- TBID renewed for new five-year term (2023-28)
- MLT contract renewed with TOML for three years 2023-26
- MLT committed TBID dollars in 2023—24 budget to assist TOML with infrastructure
- New, need-time, Tier 1 event OCR world championships did not meet expectations in year one, but we feel this is a long-term game and it did help us achieve our first \$1m October TOT month ever (renegotiated rate for Oct. 2024)
- Slow start to winter 2023-24 has us behind slightly for TBID but still well ahead of TOT

GOAL #1:

 - Determine community values that should be reflected throughout our work
 - Help participants understand that they have a role to play in shaping the future of our community.
- Have both staff and board members conduct regular 1-1 meetings in the community
- Listen to ideas from community partners and purposefully integrate them into MLT projects and initiatives.

- Recognize locals as brand ambassadors.
- Develop a "powered by tourism dollars" campaign directed at community education of projects funded, and made possible, by visitation revenues.

GOAL #1:
