HOUSING NAVIGATOR SERVICES

CONTRACTOR will serve as a strategic partner to COUNTY in the delivery of housing navigation services for three programs with similar housing navigation needs. COUNTY will use a portion of their Housing & Disability Advocacy Program (HDAP), Home Safe and Whole Person Care (WPC) funding allocations to fund a Housing Navigator position to work in collaboration with Alpine County Departments and other housing and homelessness prevention partners across Alpine County.

CONTRACTOR will hire at least 1.0 FTE Housing Navigator to be funded 80% by COUNTY and 20% by CONTRACTOR to assist in identifying and serving clients under HDAP, WPC and Home Safe programs. The Housing Navigator will work to improve crisis intervention for persons seeking housing services and/or experiencing homelessness in the Eastern Sierra. The Housing Navigator will identify, engage and assist individuals and families seeking affordable housing, living in crowded homes, on the street or in encampments, vehicles, structures not suitable for habitation, couch-surfing, or other locations or at imminent risk of homelessness. In collaboration with other agencies and nonprofit organizations, the Navigator will connect clients with necessary social services and move them from unsuitable living conditions to interim or permanent housing. Individualized care is provided to each person experiencing or at risk of homelessness and an Individualized Service Plan developed to address barriers, increase income, and maintain and sustain permanent housing. The Navigator will identify support needed to accomplish the outline goals and objectives (i.e. scheduling appointments, procuring necessary documents, such as Identification card or birth certificate, applying for public benefits, and identifying subsidized housing).

CONTRACTOR will collect, track report and measure relevant program outcomes, as specified by the California Department of Social Services (CDSS), including: a) Enter clients into the Homeless Management Information System, b) Submit related program reports in support of COUNTY reports to CDSS, c) Engage in training, technical assistance, and continuous quality improvement, and d) Actively engage with technical assistance providers, including those contracted by CDSS such as Change Well, to support growth and improvement.
