

Mammoth Lakes Town Council Agenda Action Sheet

Title: Receive and File 2020 Annual Planning Report

Council Meeting Date: 7/14/2021

Prepared by: Sandra Moberly, Community and Economic Development Director

Recommended Motion: Receive and file 2020 Annual Planning Report (APR) and provide questions/comments as needed.

Summary: The Annual Planning Report (APR) summarizes the Town's Planning activities for the previous calendar year and provides information regarding land use decisions and projects, and how they relate to adopted goals, policies, and implementation measures of the General Plan. Annual Planning Reports are intended to provide enough information to identify whether "course adjustments" or modifications to the General Plan are necessary in order to improve implementation.
