

# **Mammoth Lakes Planning and Economic Development Commission Agenda Action Sheet**

**Title:** Opportunity for the public to provide verbal or written comments on the Draft Environmental Impact Report (DEIR) for the Mammoth Yosemite Airport Terminal Area Development Project.

**Meeting Date:** 7/14/2021

**Prepared by:** Kim Cooke, Associate Planner

**Recommended Action:** Staff recommends that the Planning and Economic Development Commission provide comments on the Draft EIR document and allow the public an opportunity to provide verbal or written comments on this item.

**Summary:** Receive public comments on the Draft Environmental Impact Report (EIR) addressing the potential environmental impacts of proposed improvements to Mammoth Yosemite Airport (MMH). The principal improvements evaluated as part of the project include a new 39,288-square-foot passenger terminal building, a new aircraft parking apron, aircraft de-icing facilities, an 8,400-square-foot maintenance building with eight bays, connecting taxiways, and supporting infrastructure such as access and service roads, parking lots, and new potable water, wastewater disposal, and other utility facilities.

The 45-day public review and comment period began on June 14, 2021 and ends at 5:00 p.m. on July 28, 2021.
