# COVID-19 VACCINES FOR CHILDREN AND BOOSTERS FOR THE GENERAL POPULATION

- On November 2, the CDC approved the Pfizer vaccine for children aged 5-11 years of age.
- Public Health is coordinating with MUSD to immunize students at school.

Authorized For	Pfizer-BioNTech	Moderna	J&J / Janssen
4 years and under	No	No	No
5-11 years old	Yes	No	No
12-17 years old	Yes	No	No
18 years and older	Yes	Yes	Yes

- On November 9, 2021, the Director and State Public Health Officer stated that COVID-19 Vaccine booster shots are available for **any person who is 18 or over** and has met the 6-month original vaccination series time period for the Moderna or Pfizer vaccine or it has been at least 2 months since their J&J vaccine.

# CALIFORNIA COVID-19 DASHBOARD

**72,590** total

**52** daily avg.

**0.1** new deaths (per 100K)

Past 8 weeks

## TESTS

**2.0%** test positivity

Past 8 weeks

# WALK-IN VACCINATION/FLU CLINICS

Let's get you there.  
Let's get to immunity.

#GetToImmunity #VaccinateALL58 #CaliforniaForAll

Mono County Public Health is hosting the following COVID-19 (Coronavirus) vaccine clinics for individuals aged 12 and older. Pfizer, Moderna, and Johnson & Johnson are all available.

- 11/18/21: Bridgeport Clinic 11am - 3pm – Bridgeport Memorial Hall (73 North School Street)
- 11/30/21: Lee Vining Clinic 11am - 1pm - Lee Vining Community Center (296 Mattly Avenue)
- 12/02/21: Walker Clinic 11am - 1:30pm - Walker Community Center (74 North School Street)
- 12/07/21: Crowley Lake Clinic 2pm - 5pm - Crowley Lake Community Center (482 S. Landing Road)
- 12/12/21: St. Joseph Catholic Church Clinic 2:30pm - 5pm (58 Ranch Road)
- 12/16/21: Bridgeport Clinic 11am - 2pm – Bridgeport Memorial Hall (73 North School Street)

**Flu vaccines will also be available at these clinics, and both vaccines can be administered at same time.** Flu vaccines have been shown to reduce the risk of flu illness, hospitalization, and death. Similar to wearing a mask, the flu vaccine protects the vaccinated person, as well as the people around them. Getting a flu vaccine can also save healthcare resources for the care of patients with COVID-19.

# COVID-19 TESTING MOVED TO SIERRA STAR GOLF COURSE

OPTUMServe offers walk-in testing every **Tuesday, Wednesday, Friday, and Saturday** from 11am – 7pm at the Sierra Star Golf Course (2001 Sierra Star Pkwy).

OPTUMServe pre-registration: <https://lhi.care/covidtesting>

# PROTECT YOURSELF, YOUR FAMILY AND YOUR COMMUNITY AS YOU CELEBRATE THE HOLIDAY SEASON.

## Spread Joy, Not COVID

### Tips for Protecting Yourself and Others This Holiday Season

#### Get Vaccinated, Including a Booster Shot if You're Eligible

Vaccines are the best way to end the pandemic and they prevent COVID-19 illness, hospitalization and death. They're safe, effective and free. [Learn more about COVID-19 vaccines](#) and visit [MyTurn.ca.gov](https://myturn.ca.gov) to get vaccinated.

#### Stay Home if You're Sick

Anyone feeling sick, even with mild [symptoms](#) (sore throat, cough, sniffles), should stay home, isolate from others, and get tested. Download our [testing fact sheet](#) and read our [testing guidance](#).

#### Get Tested Before and After Traveling or Gathering for the Holidays

**Know Before You Go.** Get tested 1-3 days before a family gathering, or prior to any travel, even if you have no symptoms. Antigen testing should be done 24 hours prior to a gathering or travel. PCR testing should be done within 72 hours – with results available prior to a gathering or travel. There are no out-of-pocket costs to get tested. Visit a [state testing site](#) or call (833) 422-4255. Learn more about [types of COVID tests](#).

**Know When You Return.** Test upon returning from the holidays. Test again 3-5 days later.

#### Also Consider the Following:

- Take precautions if some in your group are unvaccinated (e.g., wear masks, socialize outdoors, keep gatherings short).
- Be sure to wear a good mask, that fits well. N95 and KN95 or surgical masks do the best job filtering out viruses and particles.
- Gather outside or increase airflow in indoor spaces. Read our [ventilation fact sheet](#).
- [Activate CA Notify](#) (California's COVID-19 exposure notification system) on your smartphone. Ask your guests to do the same.
