Gina,
Attached are photos of the project during the December storm. My biggest concern is that the area where the 30 cabins will be located is the snow storage area for the complex. Where will the snow go? How will this affect the parking allotted for these cabins?
As an owner at Sierra Park Villas, I am very concerned with parking allotment per unit.
I am looking forward to an improved Rafters and Sierra Nevada Lodge. Please forward a copy of the staff report by email.

Best regards,
Linda Scott
