

Mammoth Lakes Recreation Commission Agenda Action Sheet

Title: Recreation Commission Meeting Schedule

Commission Meeting Date: 3/1/2022

Prepared by: Stuart Brown, Parks and Recreation Director

Recommended Motion: Provide direction to staff regarding the meeting schedule.

Summary: On February 16, 2022, Mono County Public Health aligned with the guidance set forth by the California Department of Public Health (CDPH) and removed all local Health Officer Orders related to COVID-19. Masks will still be required for unvaccinated individuals indoors, and for everyone on public transit, K-12 schools, hospitals, and in skilled nursing facilities.

Staff is proposing that the Commission participate in a discussion on whether the regular meetings should continue on Zoom or transition to in-person on April 5, 2022.
