Jamie/Angie: please forward this to the Recreation Commission as soon as possible. Thanks, Sandy

Commissioners: the Community Center tennis courts appear to be missing from any of the three CIP lists. Perhaps an oversight? I would hope that they would be included for short-term maintenance, & also on the long-range list for replacement. Pre-covid, they have been very popular for clinics, camps, & drop-in players. Stu would have the actual numbers, but I personally know that there was usually a wait list for the 4-day camps. Thanks for your consideration, Sandy Hogan
