

Mammoth Lakes Town Council Agenda Action Sheet

Title: Update on the Management and Response to the COVID-19 Pandemic.

Council Meeting Date: 2/2/2022

Prepared by: Daniel C. Holler

Recommended Motion: Provide comment and any direction on status of the ongoing response to the COVID-19 pandemic

Summary:

Staff will provide an update on data, response, and management of the COVID-19 pandemic. Public Health clinics are continuing to be offered throughout Mono County. Vaccinations are also available from local pharmacies. Testing for COVID-19 is available from OptumServe Tuesday through Saturday at the Sierra Star Golf Course club house from 11am to 7pm, with a closure from 3-4pm. Scheduling an appointment for testing is highly recommended and pending testing demand, may be required. An update on the most recent COVID-19 data and statistics will be provided. The County has seen a drop in the number of positive cases of the Omicron Variant as the transmission of the variant appears to be in steady decline.
