**Recommended Motion:** Adopt the resolutions calling and giving notice of the holding of a General Municipal Election on Tuesday, November 8, 2022 for the election of three members of the Town Council and requesting that the Mono County Board of Supervisors consolidate the election.

**Summary:** The California Government Code requires that every two years, general law cities hold a general municipal election for the purpose of electing members to the city council. The next scheduled election is November 8, 2022. Further pursuant to State law, the legislative body must call and give notice of each general election. Also, Elections Code Section 10403 states that if a city desired to consolidate an election with the county, a request must be made to the board of supervisors.

Attached are proposed resolutions that, respectively, call and give notice of the General Municipal Election to be held on November 8, 2022 and request that the Moo County Board of Supervisors consolidate the municipal election with the statewide election.
