**Recommended Motion:** Adopt the Resolution Approving Measure U (Fund 217) Allocations for fiscal year 2021/22 Special Project funding and Programming funding recommendations for fiscal year 2022/23.

**Summary:** Mammoth Lakes Recreation (MLR) is a non-profit organization that is committed to preserving and enriching the quality of life for residents and visitors by ensuring the strategic use of Measure R and Measure U, including the acquisition of additional funding sources to develop and support recreation, arts and culture, mobility, capital projects and special projects in Mammoth Lakes. MLR is the recommending body for Measure R and Measure U and conducts the allocation process annually with funding recommendations presented to Town Council for review, and approval as recommended or with modification.

The stated broad objective of the funding process is as follows: *“Measure R & U Funds will be recommended, or funds invested to create, implement and support a branded high-performance destination that includes a thriving arts & culture community and enhanced recreation opportunities.”*

On May 3, 2022 the MLR Board of Directors approved recommendations for expenditures of Measure U Funds to be incorporated into the Fiscal Year 2022/23 Town Budget. The detailed allocations are provided in the staff report and programming recommendations are incorporated in the proposed resolution.

Within the recommended MLR Board Measure U allocations are specific allocations for one special project totaling \$3,800 and programming funds for nine local recreation, arts and culture organizations totaling \$154,500.

This staff report and resolution seeks Town Council approval by resolution to allocate these special project and programming funds to the local arts and culture organizations.
