Contractor shall defend, indemnify and hold Town, its officials, directors, officers, employees, agents, and volunteers free and harmless, pursuant to the indemnification provisions of this Agreement, from any claim or liability arising out of any failure or alleged failure to comply with such laws, rules or regulations.

3.2.8 Insurance:

3.2.8.1 Time for Compliance. Contractor shall not commence work under this Agreement until it has provided evidence satisfactory to the Town that it has secured all insurance required under this section. In addition, Contractor shall not allow any subcontractor to commence work on any subcontract until it has provided evidence satisfactory to the Town that the subcontractor has secured all insurance required under this section. Contractor shall provide immediate written notice if: (i) any of the required insurance policies is terminated; (ii) the limits of any of the required policies are reduced; or (iii) the deductible or self-insured retention is increased.

3.2.8.2 Types of Insurance Required. As a condition precedent to the effectiveness of this Agreement for work to be performed hereunder, and without limiting the indemnity provisions of the Agreement, the Contractor, in partial performance of its obligations under such Agreement, shall procure and maintain in full force and effect during the term of the Agreement the following policies of insurance. If the existing policies do not meet the insurance requirements set forth herein, Contractor agrees to amend, supplement or endorse the policies to do so.

Defense costs shall be paid in addition to the limits. The policy shall contain no endorsements or provisions limiting coverage for (1) contractual liability; (2) cross liability exclusion for claims or suits by one insured against another; or (3) contain any other exclusion contrary to the Agreement.

(B) Automobile Liability Insurance: Automobile Liability Insurance with coverage at least as broad as Insurance Services Office Form CA 0001 covering “Any Auto” (Symbol 1), or the exact equivalent, covering bodily injury and property damage for all activities shall be in an amount of not less than \$1,000,000 combined limit for each occurrence. This provision shall apply to vehicles owned and operated by MLR. MLR employees shall maintain at a minimum, the State required insurance on any personal vehicles used in the course of work.

(C) Workers’ Compensation: Workers' Compensation Insurance, as required by the State of California and Employer's Liability Insurance with a limit of not less than \$1,000,000 per accident for bodily injury and disease.

(D) Professional Liability: Professional Liability insurance with minimum limits of \$1,000,000. Covered professional services shall specifically include all work to be performed under the Agreement and delete any exclusions that may potentially affect the work to be performed (for example, any exclusions relating to lead, asbestos, pollution, testing, underground storage tanks, laboratory analysis, soil work, etc.). If coverage is written on a claims-made basis, the retroactive date shall precede the effective date of the initial Agreement and continuous coverage will be maintained or an extended reporting period will be exercised for a period of at least three (3) years from termination or expiration of this Agreement. This section shall apply only to those activities engaged in that require such insurance. The Town and Contractor will review such needs on a case by case basis.

3.2.8.3 Endorsements. Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the Town for approval.

(A) The policy or policies of insurance required by Section 3.2.8.2(A), Commercial General Liability shall be endorsed to provide the following:

(1) Additional Insured: Contractor agrees to endorse the third party general liability coverage required herein to include as additional insured the Town, its officials, employees and agents, using standard ISO endorsement No. CG 2010. indemnified parties shall not contribute with this primary insurance. Policies shall contain or be endorsed to contain such provisions.

3.2.8.5 Waiver of Subrogation. Required insurance coverages shall not prohibit Contractor from waiving the right of subrogation prior to a loss. Contractor shall waive all subrogation rights against the indemnified parties. Policies shall contain or be endorsed to contain such provisions.

3.2.8.6 Deductible. Any deductible or self-insured retention must be approved in writing by the Town and shall protect the parties indemnified by Section 3.5.8.1 in the same manner and to the same extent as they would have been protected had the policy or policies not contained a deductible or self-insured retention.

3.2.8.7 Evidence of Insurance. The Contractor, concurrently with the execution of the Agreement, and as a condition precedent to the effectiveness thereof, shall deliver either certified copies of the required policies, or original certificates and endorsements on forms approved by the Town. The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf. At least fifteen (15) days prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the Town. If such coverage is cancelled or reduced, Contractor shall, within ten (10) days after receipt of written notice of such cancellation or reduction of coverage, file with the Town evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies.

3.2.8.8 Failure to Maintain Coverage. Contractor agrees to suspend and cease all operations hereunder during such period of time as the required insurance coverage is not in effect and evidence of insurance has not been furnished to the Town. The Town shall have the right to withhold any payment due Contractor until Contractor has fully complied with the insurance provisions of this Agreement. In the event that the Contractor's operations are suspended for failure to maintain required insurance coverage, the Contractor shall not be entitled to an extension of time for completion of the Services because of production lost during suspension.

Best's rating of no less than A:VII and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus line brokers under applicable provisions of the California Insurance Code or any federal law.

3.2.8.10 Insurance for Subcontractors. All subcontractors shall be included as additional insureds under the Contractor's policies, or the Contractor shall be responsible for causing subcontractors to purchase the appropriate insurance in compliance with the terms of these Insurance Requirements, including adding the Town as an Additional Insured to the subcontractor's policies. Contractor shall provide to Town satisfactory evidence as required under Section 3.2.8.1 of this Agreement.

3.3.4 Extra Work. At any time during the term of this Agreement, Town may request that Contractor perform Extra Work to be agreed upon in writing between the parties in exchange for additional compensation to be agreed upon between the parties. As used herein, "Extra Work" means any work which is determined by Town to be necessary or desirable, but which is not set forth in Exhibit A or offset by reduction in other services. Contractor shall not perform, nor be compensated for Extra Work without written authorization from the Town. The parties may agree to extra work that has other funding sources such as grants, donations, from other agencies. Extra work may be agreed to by the parties as provided for in Exhibit A.

3.4 Contracting, Conflicts of Interest, Transparency and Harassment.

3.4.1. Public Contracting Requirements. Contractor shall comply with all bidding and contracting requirements applicable to public entities in general and/or to the Town in particular in the course of awarding subcontracts or procuring goods and services pursuant to this Agreement, to the same extent as the Town would be required to comply if the Town itself were undertaking such activities. Specific conflict standards for Contractor’s board and staff shall be defined in an adopted conflict of interest policy.

3.4.3 Ethics Training. Contractor shall cause its board members and employees to obtain the training in ethics and laws governing local governments required by Government Code Section 53234 et seq as if Contractor provides compensation or reimbursement to its board members, regardless of whether Contractor actually does so.

3.4.4 Brown Act and Public Records Act. At all times during the term of this Agreement, Contractor’s board of directors shall comply fully with the Ralph M. Brown Act, Government Code Section 54950 et seq.
