All Services shall be subject to, and performed in accordance with, this Agreement, the exhibits attached hereto and incorporated herein by reference, and all applicable local, state and federal laws, rules and regulations.

3.1.2 Term. The term of this Agreement is July 1, 2022 through June 30, 2023 and shall be renewed automatically for two (2) successive terms of one (1) year (July 1, 2023, through June 30, 2025) under the same terms and conditions. Either party may provide written notice of a decision not to renew this Agreement to the other party at least sixty (60) days prior to the expiration of the then-current term of the Agreement. Nothing herein shall prevent or require

the parties to negotiate an extension or amendment to the Agreement to change its terms in connection with an extension, including without limitation by amending the compensation or scope of work.

3.2 Responsibilities of Contractor.

3.2.1 Independent Contractor; Control and Payment of Subordinates. The Services shall be performed by Contractor or under its supervision. Contractor will determine the means, methods and details of performing the Services subject to the requirements of this Agreement. Town retains Contractor on an independent contractor basis and not as an employee. Contractor retains the right to perform similar or different services for others during the term of this Agreement. Any additional personnel performing the Services under this Agreement on behalf of Contractor shall also not be employees of Town and shall at all times be under Contractor's exclusive direction and control. Neither Town, nor any of its officials, officers, directors, employees or agents shall have control over the conduct of Contractor or any of Contractor's officers, employees, or agents, except as set forth in this Agreement. Contractor shall pay all wages, salaries, and other amounts due such personnel in connection with their performance of Services under this Agreement and as required by law. Contractor shall be responsible for all reports and obligations respecting such additional personnel, including, but not limited to: social security taxes, income tax withholding, unemployment insurance, disability insurance, and workers' compensation insurance.

3.2.2 Substitution of Key Personnel. Contractor has represented to Town that certain key personnel will perform and coordinate the Services under this Agreement. The key personnel for performance of this Agreement are as follows: Patricia Robertson, Executive Director. Should Ms. Robertson become unavailable, Contractor may substitute other personnel of at least equal competence upon written approval of Town. In the event that Town and Contractor cannot agree as to the substitution of key personnel, Town shall be entitled to terminate this Agreement. Contractor shall notify the Town of any proposed changes to the key personnel for performance of this Agreement. Notwithstanding anything to the contrary, the Town agrees and acknowledges that nothing herein shall restrict the Contractor from employing additional personnel to provide the Services under the contract as it deems reasonable, so long as Ms. Robertson continues to be the key personnel for the performance of this Agreement.

3.2.3 Town's Representative. The Town hereby designates Daniel C. Holler, Town Manager, or his/her designee, to act as its representative in all matters pertaining to the administration and performance of this Agreement ("Town's Representative"). Town's Representative shall have the power to act on behalf of the Town for review and approval of all products submitted by Contractor but not the authority to enlarge the Scope of Work or change the total compensation due to Contractor under this Agreement. The Town Manager shall be authorized to act on Town's behalf and to execute all necessary documents which enlarge the Scope of Work or change the Contractor's total compensation subject to the provisions contained in Section 3.3 of this Agreement. If and to the extent the Town enlarges the Scope of Work under this Agreement, all work performed under the expanded Scope of Work shall be considered Extra Work as defined herein and will be billed by the Contractor on an hourly basis. Contractor shall not accept direction or orders from any person other than the Town Manager, as Town's Representative or his/her designee.

3.2.4 Contractor's Representative. Contractor hereby designates Patricia Robertson, Executive Director, or his/her designee, to act as its representative for the performance of this Agreement (“Contractor's Representative”). Contractor's Representative shall have full authority to represent and act on behalf of the Contractor for all purposes under this Agreement. The Contractor's Representative shall supervise and direct the Services, using his/her best skill and attention, and shall be responsible for all means, methods, techniques, sequences, and procedures and for the satisfactory coordination of all portions of the Services under this Agreement.

3.2.5 Coordination of Services. Contractor agrees to work closely with Town staff in the performance of Services and shall be available to Town's staff, Contractors and other staff at all reasonable times, subject to the Schedule of Services to be agreed to by the parties.

3.2.6 Standard of Care; Performance of Employees. Contractor shall perform all Services under this Agreement in a skillful and competent manner, consistent with the standards generally recognized as being employed by professionals in the same discipline in the State of California. Contractor represents and maintains that it is skilled in the professional calling necessary to perform the Services. Contractor warrants that all employees and subcontractors shall have sufficient skill and experience to perform the Services assigned to them. As provided for in the indemnification provisions of this Agreement, Contractor shall perform, at its own cost and expense and without reimbursement from the Town, any services necessary to correct errors or omissions which are caused by the Contractor's failure to comply with the standard of care provided for herein.

3.2.7 Laws and Regulations. Contractor shall keep itself fully informed of and in compliance with all local, state and federal laws, rules and regulations in any manner affecting the performance of the Project or the Services, including all Cal/OSHA requirements, and shall give all notices required by law. Contractor shall be liable for all violations of such laws and regulations in connection with Services. If Contractor performs any work knowing it to be contrary to such laws, rules and regulations, Contractor shall be solely responsible for all costs arising therefrom. Contractor shall defend, indemnify and hold Town, its officials, directors, officers, employees, agents, and volunteers free and harmless, pursuant to the indemnification provisions of this Agreement, from any claim or liability arising out of any failure or alleged failure to comply with such laws, rules or regulations.

3.2.8 Insurance.

3.2.8.1 Time for Compliance. Contractor shall not commence work under this Agreement until it has provided evidence satisfactory to the Town that it has secured all insurance required under this section. In addition, Contractor shall not allow any subcontractor to commence work on any subcontract until it has provided evidence satisfactory to the Town that the subcontractor has secured all insurance required under this section.

3.2.8.2 Types of Insurance Required. As a condition precedent to the effectiveness of this Agreement for work to be performed hereunder, and without limiting the indemnity provisions of the Agreement, the Contractor, in partial performance of its obligations under such Agreement, shall procure and maintain in full force and effect during the term of the

Agreement the following policies of insurance. If the existing policies do not meet the insurance requirements set forth herein, Contractor agrees to amend, supplement or endorse the policies to do so.

(A) Commercial General Liability: Commercial General Liability Insurance which affords coverage at least as broad as Insurance Services Office “occurrence” form CG 0001, or the exact equivalent, and shall be no less than \$1,000,000 per occurrence and no less than \$2,000,000 in the general aggregate. Defense costs shall be paid in addition to the limits. The policy shall contain no endorsements or provisions limiting coverage for (1) contractual liability; (2) cross liability exclusion for claims or suits by one insured against another; or (3) contain any other exclusion contrary to the Agreement.

(B) Automobile Liability Insurance: To the extent applicable, Contractor shall provide either (1) a Personal Automobile Liability policy for the Contractor's own vehicle stipulating “Automobile Liability Insurance with a limit of not less than \$1,000,000 each accident”; or (2) a non-owned auto endorsement to the Commercial General Liability policy if Contractor uses vehicles of others (e.g., vehicles of employees).

(C) Workers’ Compensation: Workers' Compensation Insurance, as required by the State of California and Employer's Liability Insurance with a limit of not less than \$1,000,000 per accident for bodily injury and disease.

(D) Professional Liability: Professional Liability insurance with minimum limits of \$1,000,000. Covered professional services shall specifically include all work to be performed under the Agreement and delete any exclusions that may potentially affect the work to be performed (for example, any exclusions relating to lead, asbestos, pollution, testing, underground storage tanks, laboratory analysis, soil work, etc.). If coverage is written on a claims-made basis, the retroactive date shall precede the effective date of the initial Agreement and continuous coverage will be maintained or an extended reporting period will be exercised for a period of at least three (3) years from termination or expiration of this Agreement.

3.2.8.3 Endorsements. Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the Town for approval.

(A) The policy or policies of insurance required by Section 3.2.10.2(A), Commercial General Liability, shall be endorsed to provide the following:

(1) Additional Insured: Contractor agrees to endorse the third party general liability coverage required herein to include as additional insureds Town, its officials, employees and agents, using standard ISO endorsement No. CG 2010 with an edition date of 2010. Contractor also agrees to require all contractors, subcontractors, and anyone else involved in any way with the Project contemplated by this Agreement to do likewise.

(B) The policy or policies of insurance required by Section 3.2.10.2(C),

Workers' Compensation, shall be endorsed to provide the following:

- (1) **Waiver of Subrogation:** A waiver of subrogation stating that the insurer waives all rights of subrogation against the indemnified parties.

3.2.8.4 **Primary and Non-Contributing Insurance.** All insurance coverages shall be primary and any other insurance, deductible, or self-insurance maintained by the indemnified parties shall not contribute with this primary insurance. Policies shall contain or be endorsed to contain such provisions.

3.2.8.5 **Waiver of Subrogation.** Required insurance coverages shall not prohibit Contractor from waiving the right of subrogation prior to a loss. Contractor shall waive all subrogation rights against the indemnified parties. Policies shall contain or be endorsed to contain such provisions.

3.2.8.6 **Deductible.** Any deductible or self-insured retention must be approved in writing by the Town and shall protect the indemnified parties in the same manner and to the same extent as they would have been protected had the policy or policies not contained a deductible or self-insured retention.

3.2.8.7 **Evidence of Insurance.** The Contractor, concurrently with the execution of the Agreement, and as a condition precedent to the effectiveness thereof, shall deliver either certified copies of the required policies, or original certificates and endorsements on forms approved by the Town. The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf. At least fifteen (15) days prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the Town. If such coverage is cancelled or reduced, Contractor shall, within ten (10) days after receipt of written notice of such cancellation or reduction of coverage, file with the Town evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies.

3.2.8.8 **Failure to Maintain Coverage.** Contractor agrees to suspend and cease all operations hereunder during such period of time as the required insurance coverage is not in effect and evidence of insurance has not been furnished to the Town. The Town shall have the right to withhold any payment due Contractor until Contractor has fully complied with the insurance provisions of this Agreement. In the event that the Contractor's operations are suspended for failure to maintain required insurance coverage, the Contractor shall not be entitled to an extension of time for completion of the Services because of production lost during suspension. Contractor shall provide immediate written notice if: (i) any of the required insurance policies is terminated; (ii) the limits of any of the required policies are reduced; or (iii) the deductible or self-insured retention is increased.

3.2.8.9 **Acceptability of Insurers.** Each such policy shall be from a company or companies with a current A.M. Best's rating of no less than A:VII and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus line brokers

under applicable provisions of the California Insurance Code or any federal law.

3.2.8.10 Insurance for Subcontractors. All Subcontractors shall be included as additional insureds under Contractor's policies, or Contractor shall be responsible for causing Subcontractors to purchase the appropriate insurance in compliance with the terms of these Insurance Requirements, including adding the Town as an Additional Insured to the Subcontractor's policies. Contractor shall provide to Town satisfactory evidence as required under Section 3.2.8.1 of this Agreement.

3.2.9 Safety. Contractor shall execute and maintain its work so as to avoid injury or damage to any person or property. In carrying out its Services, the Contractor shall at all times be in compliance with all applicable local, state and federal laws, rules and regulations, and shall exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed.

3.3 Fees and Payments.

As used herein, "Extra Work" means any work which is determined by Town to be necessary for the proper completion of the agreed upon task, service or project, but which the Parties did not reasonably anticipate would be necessary at the execution of this Agreement. Contractor shall identify any work requested by Town that Contractor believes to be Extra Work, prior to undertaking any such work. Payment will be made on a quarterly basis during the term of this Agreement. Payments are not to exceed \$336,000 per fiscal year, unless specifically approved by the Town Council. Extra Work may be authorized, as allowed under Section 3.3 of the Agreement, and if authorized, will be billed by the Contractor on an hourly basis at an agreed upon amount.
- b) MLH shall maintain complete and accurate records with respect to all costs and expenses incurred under this Agreement. All such records shall be clearly identifiable. Contractor shall allow a representative of Town during normal business hours to examine, audit, and make transcripts or copies of such records and any other documents created pursuant to this Agreement. Contractor shall allow inspection of all work, data, documents, proceedings, and activities related to the Agreement for a period of three (3) years from the date of final payment under this Agreement.
- c) In addition to the payments under Section 1.a above, the Town agrees to pay MLH the administrative and activity delivery funds allowed in all housing related grants received by the Town, including CDBG, HOME, HELP Begin, etc. as mutually agreed upon through applicable subrecipient agreements. MLH acknowledges that Town may refuse to enter into subrecipient agreements that do not permit Town to retain a portion of the administrative funds to support the Town's administrative costs.
- d) Funds received from non-Town sources shall be identified and accounted for separately. Separation of sources and uses of funds is necessary to provide accounting of the use of restricted funds in compliance with restrictions placed on funding in connection with state, federal or other grants, funding from other agencies and the Town. Separation of revenues and expenditures will identify and reduce potential Town subsidies of other agency grants and programs. Other Town sources of funds received (i.e. grant funds) will be reviewed and may reduce the amount of allowed carryover or final payment of funds provided herein.

Section 2: The Town may, in its sole discretion, provide additional funding to MLH in amounts approved by a resolution of the Town Council. The resolution will set forth the purpose of the funding, the source, any restrictions, and other matters relating thereto. MLH may request additional Town housing restricted funds for specific uses.

Section 3. Town funding provided for under this Agreement is for Mammoth Lakes Housing, Inc. only, in order to complete the deliverables outlined in Exhibit A (except as noted), or as approved by the Town Council. It is not intended to be used on behalf of or to offset expenses incurred by activities undertaken by MLH acting in the capacity of a Community Housing Development Organization (CHDO), unless such use of Town funds are expressly approved by the Town Council.

Section 4. Ongoing funding is subject to Town Council appropriation and subject to available

revenues. In the event that revenues are not available or not appropriated, the Town shall no longer be obligated to make any payments to MLH and MLH shall no longer be required to perform any Services on behalf of the Town. Non-appropriation of funds shall require at least 90-day notice to MLH. To the extent the additional payments are necessary to meet contractual obligations which relate to the defined deliverables provided in this agreement, MLH will need to request these funds with information on the obligations to meet contractual requirements.

Section 5. In the event MLH ceases to operate or exist, all unexpended Town funds held by MLH shall be returned to the Town.
