1. That the Town Council finds the above recitations are true and correct.
2. The Town Council incorporates by reference all exhibits and attachments cited in this Resolution.
3. Pursuant to the requirements of the California Environmental Quality Act (CEQA), the Town Council makes the following findings:

The proposed update of the Housing Impact Mitigation Fee Schedule is not a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378(b)(4), as it relates to the creation of a government funding mechanism which does not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment.

4. Pursuant to the requirements of the Town of Mammoth Lakes Municipal Code, the Town Council makes the following findings:

The proposed update of the Housing Impact Mitigation Fee Schedule is consistent with Municipal Code Section 17.136.010 to mitigate the impacts of market rate residential and non-residential development on the need for workforce housing in the Town through the imposition of workforce housing requirements, and Section 17.136.040 which includes the establishment of housing impact mitigation fees.

5. Pursuant to the requirements of the Mitigation Fee Act, the Town Council makes the following findings:
 - a. The proposed update of the Housing Impact Mitigation Fee Schedule is consistent with the requirements applicable to the establishment of fees in California Government Code Section 66000 et seq., commonly referred to as the Mitigation Fee Act.
 - b. The purpose of the fee is to mitigate workforce housing needs generated by new development.
 - c. The Affordable Workforce Housing Fee Nexus Study and Fee Recommendation, dated June 5, 2015 (revised June 23, 2015) (Exhibit "A"), demonstrates that there is a reasonable relationship (nexus) between future residential and non-residential development that occurs in the Town and the need for additional housing that is affordable for the workforce as a result of new development.

- d. The Affordable Workforce Housing Fee Nexus Study and Fee Recommendation, dated June 5, 2015 (revised June 23, 2015) (Exhibit “A”), demonstrates that there is rough proportionality between future residential and non-residential development that occurs in the Town and the recommended housing impact fees for additional housing that is affordable for the workforce as a result of new development.
 - e. The fees identified in the Housing Impact Mitigation Fee Schedule, Exhibit “B”, will be used to mitigate the workforce housing needs generated by new development through various housing programs, activities, and projects provided by the Town, Mammoth Lakes Housing, Inc., and other programs and service providers.
- 6. The Town Council adopts the Housing Impact Mitigation Fee Schedule, attached hereto as Exhibit “B”.
 - 7. The Housing Impact Mitigation Fee Schedule shall be effective 60 days following adoption of this resolution by the Town Council, pursuant to Government Code §66017(a).
 - 8. The documents and other materials that constitute the record of proceedings upon which the Town Council’s decision is based are located in the Town Offices of the Town of Mammoth Lakes, at 437 Old Mammoth Road, Suite 230, Mammoth Lakes, California 93546 and Jamie Gray, Town Clerk, is hereby designated as the custodian of these records.
 - 9. The Affordable Workforce Housing Fee Nexus Study and Fee Recommendation, the Housing Impact Mitigation Fee Schedule, and the Housing Impact Fee Fund shall be reviewed on a five-year basis at minimum consistent with the Mitigation Fee Act (Government Code §66001(d)) and updated as necessary consistent with the Mitigation Fee Act.
