Council Meeting Date: 9/21/2022

Prepared by: Daniel C. Holler, Town Manager

Recommended Motion: Engage in discussion and provide comments and direction as appropriate.

Summary:

The agreement between the Town and Mammoth Lakes Recreation (MLR) provides for formal meetings between the two parties throughout the year. This is in addition to short updates provided at regular Council meetings. The discussion allows MLR to update the Council on previous, current, and future work programs and engage in a discussion accordingly. Over the past quarter the Town's Office of Outdoor Recreation has been getting up to speed and enhancing the cooperation and coordination between the Town and MLR.
