

Mammoth Lakes Town Council Agenda Action Sheet

Title: Update on Inyo Mono Advocates for Community Action (IMACA) Programs, Services, and Introduction of New Executive Director.

Council Meeting Date: 9/7/2022

Prepared by: Daniel C. Holler, Town Manager

Recommended Motion: Receive update

Summary:

Kate Morley, Executive Director of IMACA (Inyo Mono Advocates for Community Action) will provide the Town Council with an update on IMACA's programs and services. Ms. Morley is also stepping down from the Executive Director role in mid-September and will introduce the new incoming Executive Director. The Council and other local agencies provided IMACA with emergency financial support this past year as the Agency struggle with financial solvency. The financial support allowed IMACA to continue providing community services and to transition some services to other providers. Services included:

- Preschool
- Energy Assistance
- Food distribution
- Housing/homeless services.

The Town assisted with the transition of the Mammoth Lakes Preschool program to the Mono County Office of Education and for the program to be located as part of Phase 1 of the Parcel. The transition will provide additional childcare services and the Town is providing financial support for the facility buildout. IMACA has continued to work to address operations, transition services, and financial stability. The presentation will provide additional details and information on the status and ongoing work of IMACA.
