From: Bryan Wheeler, Director of Public Health

Re: Recommendation regarding Social Distancing and Virtual Meetings

Both Mono County “covering” Health Officer Dr. Rick Johnson and I strongly recommend that physical/social distancing measures continue to be practiced throughout our Mono County communities, including at meetings of the Board of Supervisors and other County-related legislative bodies subject to the Brown Act, to minimize the spread of COVID-19.

Whether vaccinated or not, positive individuals are contracting the Delta variant and infecting others in our communities. Social distancing and masking are crucial mitigation measure to prevent the disease’s spread. Virtual board meetings allow for the participation of the community, county staff, presenters, and board members in a safe environment, with no risk of contagion. It is recommended that legislative bodies in Mono County implement fully-remote meetings to the extent possible.

If you have any questions regarding this recommendation, please do not hesitate to contact me. We will continue to evaluate this recommendation on an ongoing basis and will communicate when there is no longer such a recommendation with respect to meetings for public bodies.

To: Inyo County Local Agency Governing Bodies

From: Dr. James Richardson, Inyo County Public Health Officer

Re: Continued Recommendation Re Social Distancing and Remote Meetings

In order to help minimize the spread of COVID-19, I recommend that physical/social distancing measures continue to be practiced throughout our Inyo County communities, including at public meetings of the Board of Supervisors and other public agencies. Individuals continue to contract COVID-19 and spread the infection throughout our communities. Social distancing, masking, and vaccination are crucial mitigation measures to prevent the disease's spread. Remote public agency meetings allow for the participation of the community, agency staff, presenters, and board members in a safe environment, with no risk of contagion. As such, and since this disease negatively and directly impacts the ability of public agencies to conduct public meetings safely in person, it is my recommendation that local public agencies conduct their public meetings remotely.

This recommendation will remain in place until further notice.

Dr. James A. Richardson
Inyo County Health Officer
