

Facelift: Act Local 2022 Eastern Sierra

None of these numbers are final, as we still have groups and special projects happening through the middle of October. Here is a list of main highlights.

Highlights:

- Almost 400 volunteers
- 16 different locations on the Inyo National Forest
- 39 different organizations
- Locally, almost 1,000lbs of trash was collected, sorted and recorded.
 - That is almost ½ a ton!
- Multiple groups of tourists participated
 - Canada, India, and various states in the US.
- Gave out 36 raffle prizes to participants.

Photos from the event can be found here:
