

RESOLUTION NO. _____

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF MAMMOTH LAKES, STATE OF CALIFORNIA, DECLARING ITS INTENTION TO ESTABLISH A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES THEREIN

TOWN OF MAMMOTH LAKES
COMMUNITY FACILITIES DISTRICT NO. 2023-1
(MAINTENANCE SERVICES)

WHEREAS, under the Mello-Roos Community Facilities Act of 1982 (Sections 53311 and following, California Government Code; hereafter referred to as the “Act”), the Town Council of the Town of Mammoth Lakes (the “Town”) may commence proceedings for the establishment of a community facilities district; and

WHEREAS, this Town Council has received a Petition (including Waivers) from the landowners requesting that it establish a community facilities district under the Act to provide for the costs of plowing and removal of snow, and maintenance of curbs/sidewalks, landscapes and streetlights and related appurtenances, and this Town Council now desires to commence proceedings to establish a community facilities district as described herein; and

WHEREAS, this Town Council has previously adopted local goals and policies for the formation of community facilities districts within the Town; and

WHEREAS, under the Act, this Town Council is the legislative body for the proposed community facilities district and is empowered with the authority to establish the community facilities district and levy special taxes within the community facilities district; and

WHEREAS, this Town Council now desires to proceed with the actions necessary to consider the establishment of the community facilities district.

NOW, THEREFORE, BE IT RESOLVED, by the Town Council of the Town of Mammoth Lakes, as follows:

1. The Town Council hereby finds that the facts set forth in the recitals to this Resolution are true and correct and establish the factual basis for the Town Council’s adoption of this Resolution.
2. This Town Council proposes to conduct proceedings to establish the community facilities district pursuant to the Act, and hereby determines that public convenience and necessity require the formation of the community facilities district to fund public services.
3. The name of the proposed community facilities district is Town of Mammoth Lakes, Community Facilities District No. 2023-1 (Maintenance Services) (the “District”).
4. The proposed boundaries of the District are as shown on the map of the District on file with the Town Clerk, a copy of which is attached hereto as Exhibit A, which Exhibit is by this reference incorporated herein. The proposed boundaries are hereby preliminarily

approved. The Town Clerk is hereby directed to record, or cause to be recorded, the map of the boundaries of the District in the office of the Mono County Recorder no later than fifteen (15) days after the adoption of this Resolution.

5. The type of services proposed to be funded by the District by proceeds of the special tax shall consist of those services described in Exhibit B hereto, which Exhibit is by this reference incorporated herein (the "Services").

The Town Council hereby determines that the Services are necessary to meet increased demands for such services placed upon local agencies as the result of development occurring within the area of the District. The Services are in addition to those provided in the territory of the District as of the date hereof and will not supplant services already available within the territory of the District as of the date hereof.

6. Except where funds are otherwise available, a special tax sufficient to pay the costs thereof, secured by the recordation of a continuing lien against all non-exempt real property in the District, will be levied annually within the District and collected in the same manner as ordinary ad valorem property taxes or in such other manner as this Town Council or its designee shall determine, including direct billing of the affected property owners. The proposed rate and method of apportionment of the special tax among the parcels of real property within the District, in sufficient detail to allow each landowner within the proposed District to estimate the maximum amount such owner will have to pay, is described in Exhibit C attached hereto, which Exhibit is by this reference incorporated herein. The special tax shall be levied perpetually until the collection of the special tax by the Town ceases.
7. This Town Council finds that the provisions of Section 53313.6, 53313.7 and 53313.9 of the Act (relating to adjustments to ad valorem property taxes and schools financed by a community facilities district) are inapplicable to the District.
8. The levy of said proposed special tax shall be subject to the approval of the qualified electors of the District at a special election. The proposed voting procedure shall be by mailed or hand-delivered ballots among the landowners in the proposed District, with each landowner having one vote for each acre or portion of an acre of land such landowner owns in the District.
9. Except as may otherwise be provided by law or the rate and method of apportionment of the special tax for the District, all lands owned by any public entity, including the United States, the State of California, and/or the Town, or any departments or political subdivisions of any thereof, shall be omitted from the levy of the special tax to be made to cover the costs and expenses of the Services and any expenses of the District.
10. The Director of Public Works of the Town is hereby directed to study the proposed Services and to make, or cause to be made, and file with the Town Clerk a report required by Section 53321.5 of the Act presenting the following:

- (a) A brief description of the Services.
- (b) An estimate of the fair and reasonable initial annual cost of providing the Services, including the incidental expenses in connection therewith, any Town administration costs and all other related costs.

Said report shall be made a part of the record of the public hearing provided for below. The Director of Public Works may delegate to consultants the duty to perform the study and prepare the report.

- 11. Wednesday, April 5, 2023, at 4:00 p.m. or as soon thereafter as the matter may be heard in the regular meeting place of this Town Council at Suite Z, Minaret Village Shopping Center, 437 Old Mammoth Road, Town of Mammoth Lakes, California, or virtually as noticed by the Town, are hereby appointed and fixed as the time and place when and where this Town Council, as legislative body for the District, will conduct a public hearing on the establishment of the District and consider and finally determine whether the public interest, convenience, and necessity require the formation of the District and the levy of said special tax.
- 12. The Town Clerk is hereby directed to cause notice of said public hearing to be given by publication one time in a newspaper published in the area of the District. The publication of said notice shall be completed at least seven (7) days before the date herein set for said hearing. The notice shall be substantially in the form of Exhibit D hereto.
- 13. This Resolution shall take effect immediately upon its adoption.

APPROVED AND ADOPTED this 15th day of February 2023.

C. MAXIMUM ANNUAL SPECIAL TAX RATES

The Maximum Special Taxes for each Assessor’s Parcel of Taxable Property shall be assigned below:

1. Maximum Special Taxes

The Maximum Special Tax for each Assessor’s Parcel of Taxable Property within Tax Zone No. 1 shall be assigned according to Table 1 below:

**TABLE 1
MAXIMUM SPECIAL TAX RATES
TAX ZONE NO. 1
FISCAL YEAR 2022/23***

Land Use Category	Maximum Special Tax Rate	Per
Condominium Property – 1 Bedroom/Studio	\$262.22	Unit
Condominium Property – 2 Bedrooms	349.63	Unit
Condominium Property – 3 Bedrooms	437.04	Unit
Condominium Property – 4 Bedrooms	546.30	Unit
Condominium Property – 5 Bedrooms	682.88	Unit
Commercial Property	0.00	BSF
Apartment Property	0.00	Unit
Hotel Property	262.22	Unit
Single-Family Residential Detached Property	0.00	Unit
Accessory Dwelling Unit	See below	Unit

The Maximum Special Tax for an Accessory Dwelling Unit shall be calculated as a percentage of the Maximum Special Tax for the primary Unit the ADU is accessory to, based on Building Square Footage. For example, if a primary Unit in Land Use Category Condominium Property – 3 Bedrooms with 2,000 BSF has an ADU of 800 BSF, the Maximum Special Tax for the ADU shall be calculated by the following steps:

1. $800 \text{ BSF} / 2,000 \text{ BSF} = 0.40$ or 40%
2. $\$437.04 \text{ Maximum Special Tax per Unit} \times 40\% = \$174.81 \text{ Maximum Special Tax for such ADU}$

On July 1 of each Fiscal Year, commencing on July 1, 2023, the Maximum Special Tax rates for Tax Zone No. 1 shall be increased by amounts equal to two percent (2%) of the Maximum Special Tax rates amount in effect for the previous Fiscal Year.

Different Maximum Special Tax rates and tax escalation factors may be identified in Tax Zones added to CFD No. 2023-1 as a result of future annexations.

In some instances, an Assessor's Parcel of Developed Property may be Mixed-Use Property. The Maximum Special Tax levied on an Assessor's Parcel shall be the sum of the Maximum Special Tax for all Units and Building Square Feet of each property type on that Assessor's Parcel.

2. Assignment of Assessor's Parcel(s) to Property Land Use Category

When an Assessor's Parcel changes from being classified as Undeveloped Property to another land use category and is considered Developed Property, that assignment shall not change due to future changes in land use.

3. Assignment of Maximum Special Tax to Newly Created Assessor's Parcel(s)

When an Assessor's Parcel changes or subdivides, the Maximum Special Tax shall be assigned to each newly created Assessor's Parcel so that there is no net loss in the Maximum Special Tax revenue to be generated as a result of changes in the planned development.

When an Assessor's Parcel changes or subdivides, and there are changes to the overall planned development for each Tax Zone within CFD No. 2023-1, the process for assigning the Maximum Special Tax to each newly created Assessor's Parcel is as follows:

Step 1: Sum the expected Maximum Special Tax assigned to each Assessor's Parcel that is being changed or subdivided within that Tax Zone.

Step 2: Identify the newly created Assessor's Parcel(s) of Taxable Property created by the change or subdivision and assign the Maximum Special Tax to each newly created Assessor's Parcel of Taxable Property according to the then-current Maximum Special Tax Rates within that Tax Zone for each Land Use Category. Sum the Maximum Special Tax assigned to each newly created Assessor's Parcel of Taxable Property within that Tax Zone.

Step 3: Divide the total expected Maximum Special Tax in Step 1 by the total Maximum Special Tax assigned in Step 2 to arrive at a fraction for that Tax Zone.

Step 4: Apportion the total Maximum Special Tax from Step 1 to each newly created Assessor's Parcel of Taxable Property by multiplying each newly created Assessor's Parcel fraction, determined in Step 3, by the then-current Maximum Special Tax Rates within that Tax Zone for each Land Use Category.

Step 5: The Maximum Special Tax assigned to each newly created Assessor's Parcel of Taxable Property shall be the greater of the Maximum Special Tax assigned in Step 2 or the Maximum Special Tax calculated in Step 4 for the Tax Zone.

When an Assessor's Parcel changes or subdivides, and there are no changes to the planned development for each Tax Zone within CFD No. 2023-1, the Maximum Special Tax shall be assigned according to Table 1 for Tax Zone No. 1, or similar table for each successive Tax Zone.

The planned development for Tax Zone No. 1 is provided in the table below:

Land Use Category	Planned Development
Condominium Property – 1 Bedroom/Studio	101 Units
Condominium Property – 2 Bedrooms	4 Units
Condominium Property – 3 Bedrooms	4 Units
Condominium Property – 4 Bedrooms	4 Units
Condominium Property – 5 Bedrooms	3 Units
Hotel Property	149 Units

Once created, if a newly created Assessor’s Parcel(s) of Taxable Property further changes or subdivides, the above steps shall be repeated to determine the Maximum Special Tax for the additional newly created Assessor’s Parcel(s) of Taxable Property created from the change or subdivision.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAXES

All Taxable Property shall be subject to the Special Tax defined as follows. The Special Tax shall be levied each Fiscal Year by the CFD Administrator.

The Annual Special Tax Requirement shall be apportioned to each Parcel within CFD No. 2023-1 by the method shown below.

First: Determine the Annual Special Tax Requirement.

Second: Levy the Special Tax on each Parcel of Developed Property, Proportionately, up to the applicable Maximum Special Tax.

Under no circumstances will the Special Taxes on any Assessor’s Parcel of Developed Property be increased by more than 10% as a consequence of delinquency or default by the owner of any other Assessor’s Parcel within CFD No. 2023-1.

E. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Tax shall be levied on Open Space Property, Property Owner’s Association Property, Undeveloped Property, Assessor’s Parcels with public or utility easements making impractical their utilization for any use other than the purposes set forth in the easement, or Public Property, except as otherwise provided in Sections 53317.3, 53317.5 and 533401 of the Act.

No Special Tax shall be levied on any Assessor’s Parcel in any Fiscal Year in which such Assessor’s Parcel is classified as Welfare Exempt Property.

F. APPEAL OF SPECIAL TAX LEVY

Any property owner may file a written appeal of the Special Tax with the CFD Administrator claiming that the amount or application of the Special Tax is not correct. The appeal must be filed not later

than one calendar year after having paid the Special Tax that is disputed, and the appellant must be current in all payments of the Special Tax. In addition, during the term of the appeal process, all Special Tax levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the CFD Administrator's decision relative to the appeal, the owner may then file a written appeal with the Town Council whose subsequent decision shall be final and binding on all interested parties. If the decision of the CFD Administrator or subsequent decision by the Town Council requires the Special Tax to be modified or changed in favor of the property owner, then an adjustment shall be made to credit the Special Tax in future years.

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.

G. INTERPRETATIONS OF RATE AND METHOD OF APPORTIONMENT

The Town reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning the Special Tax. In addition, the interpretation and application of any section of this document shall be at the Town's discretion. Interpretations may be made by the Town Council by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment of Special Tax.

H. MANNER AND DURATION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided that the Town may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if needed to meet the financial obligations of CFD No. 2023-1, and may collect delinquent Special Taxes through available methods.

Special Taxes shall continue to be levied and collected within CFD No. 2023-1, as needed to fund the Annual Special Tax Requirement, in perpetuity.

I. PREPAYMENT OF SPECIAL TAX

The Special Tax may not be prepaid.

J. REPEAL OF SPECIAL TAX

If the levy of the Special Tax is repealed by initiative or any other action participated in by the owners of Assessor's Parcels in CFD No. 2023-1, the Town shall cease to levy the Special Tax and shall cease to be obligated to provide the authorized services for which the Special Tax was levied. The obligations to provide the authorized services previously funded by the repealed Special Tax shall become the joint obligations of the property owners of Assessor's Parcels within CFD No. 2023-1.

The proposed boundaries of the District were identified in another exhibit to the Resolution of Intention, and the Resolution of Intention identified a proposed special tax to be levied on real property to be included in the District to pay for the costs of the services.

In the Resolution of Intention, the Town Council provided that the levy of the special tax will be subject to a mailed ballot election among the owners of land in the District. The Town Council ordered the Town's Director of Public Works to prepare a report on the District, and the Town Council called for a public hearing on the District.

At the hearing, the testimony of all interested persons or taxpayers for or against the establishment of the District, the extent of the District or the furnishing of specified types of services will be heard. Any person interested may file a protest in writing with the Town Clerk. If fifty percent or more of the registered voters, or six registered voters, whichever is more, residing in the territory proposed to be included in the District, or the owners of one-half or more of the area of land in the territory proposed to be included in the District and not exempt from the special tax file written protests against the establishment of the District and the protests are not withdrawn to reduce the value of the protests to less than a majority, the Town Council of the Town shall take no further

action to establish the District or authorize the special taxes for a period of one year from the date of the decision of the Town Council, and if the majority protests of the registered voters or the landowners are only against the furnishing of a type or types of services within the District, or against levying a specified special tax, those types of services, or the specified special tax, will be eliminated from the proceedings to form the District.

Any person interested in these matters is invited to attend and present testimony either for or against the above item. If you challenge the proposed action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice or in written correspondence delivered to the Town Council during or prior to the public hearing.
