

## **TOWN COUNCIL STAFF REPORT**

Title: Adopt the resolution ordering the detachment of territory from the North Village Benefit Assessment District 2002-2.

Meeting Date: April 19, 2023

Prepared by: Pamela Smitheman, Assistant Engineer

---

### **RECOMMENDATION:**

Adopt the resolution ordering the detachment of territory from the North Village Benefit Assessment District 2002-2.

### **BACKGROUND:**

The Town previously held the first reading and today held the second reading and adopted the Ordinance authorizing the levy of special taxes in Community Facilities District No. 2023-1 (Maintenance Services). This new district was formed in order to ensure that the properties included in Exhibit A provide maintenance services related to their operations. As such, a resolution of intention of their detachment from the North Village BAD 2002-2 was previously signed. After today's public hearing, adoption of the Resolution ordering the detachment of territory from North Village Benefit Assessment District No. 2002-2 is recommended.
