DRAFT

ARTICLE 1: Agreement

The Articles and provisions contained herein constitute a bilateral and binding agreement (“Agreement”) by and between the Town Council of the Town of Mammoth Lakes, California (“Town”) and the Mammoth Lakes Management Employees’ Association (“Association”).

ARTICLE 2: Recognition

The Town recognizes the Association as the exclusive representative of all regular employees whose job classifications are listed in attached Exhibit A.

ARTICLE 3: Non-Discrimination

There shall be no discrimination based on an employee’s race, religious creed, color, national origin, ancestry, sex, age, physical or mental disability, medical condition, sexual orientation, marital status, gender identity, gender expression, genetic characteristics or information, military or veteran status, and/or any other category protected by federal and/or state law. In addition, Town policy prohibits retaliation because of the employee’s opposition to a practice the employee reasonably believes to constitute employment discrimination or harassment or because of the employee’s participation in an employment investigation, proceeding, hearing, or legitimate employee organization activities. Employees who believe they have been harassed, discriminated against, or retaliated against, should report that conduct to the Town, and the Town will investigate those complaints.

ARTICLE 4: Association Rights

- 4.1 The Association shall have the right to post notices of activities and matters of Association concern on bulletin boards located at Town facilities and to use the Town email, meeting rooms, equipment, and supplies to notice and conduct meetings. Use of space must not interfere with any Town needs or use.
- 4.2 The Town Manager may authorize up to forty (40) hours annually, not to exceed five (5) days per year, for the Association President or their designee to conduct Association business or attend state or national conferences sponsored by employee associations, exclusive of activities directly related to negotiations affecting this MOU. Public agencies shall allow a reasonable number of public agency employee representatives of recognized employee organizations reasonable time off without loss of compensation or other benefits when formally meeting and conferring with representatives of the public agency on matters within the scope of representation. Association members shall provide their supervisors with reasonable notification requesting release time to conduct association business outside of formal negotiations.
- 4.3 Within thirty (30) days of the ratification of this Agreement, or any subsequent modification thereof, by both parties, the employer agrees to provide an executed copy to the Association and an electronic copy for distribution and placement on the Town’s website.

- 4.4 A representative from the Association shall have the right and the opportunity during normal business hours to speak to a new employee for the purposes of explaining the new employee's contractual rights and introducing them to the Association. No employee is required to attend such meeting.
- 4.5 The Town agrees to notify the Association at least thirty (30) days prior to the elimination of any position and/or implementing an employee layoff which would impact Association-represented employees. The Association may then request to meet and confer.

ARTICLE 5: Town Rights

It is understood and agreed that the Town Council retains all of its powers and authority to direct, manage, and control the operation of the Town to the full extent of the law. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Town, the adoption of ordinances, policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

Included in these Town duties and powers are the exclusive rights to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of services to be provided, and the methods and means of providing them; establish its departmental policies, goals, and objectives; insure the rights and privileges of citizens; determine staffing patterns; determine the number and kind of personnel required; maintain the efficiency of Town operations; build, move, or modify facilities; establish budget procedure and determine budgetary allocation; determine the methods of raising revenue; enter into contracts for supplies and services; and take appropriate action in the event of an emergency. In addition, the Town retains the right to hire, classify, assign, transfer, evaluate, promote, demote, suspend, and terminate employees. These rights will be in conformance with the provisions of state and federal laws.

The Town retains its right to waive, for the duration of the cause, pertinent policies and practices referred to in this Agreement in cases of civil defense, natural disasters, epidemics, or acts of God. All rights, powers, and privileges of the Town shall be exercised by the Town Council and the operation of the Town shall be administered by the Town Manager or any other person properly designated by the Town Council or the Town Manager.

ARTICLE 6: Negotiation Procedure

- 6.1 Either party may utilize the services of outside consultants.
- 6.2 The Town Council and the Association will discharge their respective duties required by this agreement in compliance with the Meyers-Milias-Brown Act (Government Code, Section 3500-2511).

- 6.3 Either party may submit a request to begin negotiations. The other party has the obligation to respond to such request promptly, as required by the Meyers-Milias-Brown Act (“MMBA”). Negotiations shall take place at mutually agreeable times and places.
- 6.4 The Association shall designate a minimum of two (2) representatives to meet with the Town Council’s representatives.
- 6.5 The parties agree to comply with the MMBA and provide all information relevant to the negotiations process. Neither party is obligated to provide documents subject to legal privilege.

ARTICLE 7: Personnel Rules and Grievance and Disciplinary Procedures

- 7.1 The Personnel Rules established pursuant to Town Council Resolution, or as subsequently modified by Town Council Resolution, are incorporated herein by reference, as are the Grievance and Disciplinary procedures and provisions established pursuant to said Resolution.
- 7.2 In the event that the Town intends to revise disciplinary and grievance procedures in the Town’s Personnel Rules, the Town will meet and confer with the Association.

ARTICLE 8: Comprehensive and Other Leave

8.1 Comprehensive Leave

Comprehensive leave combines several types of leaves, including vacation leave, sick leave, personal leave, and bereavement leave.

8.2 Scheduling/Notification

The scheduling of comprehensive leave for vacation and personal leave purposes and the amount to be taken at any one time shall be determined by the Department Head in accordance with the department’s rules and with regard for the needs of the Town primarily and the preferences of the employee secondarily.

In the event an employee finds it necessary to take comprehensive leave which has not been scheduled in advance, such as for illness, bereavement, emergencies, etc., it is the responsibility of the employee to make documented attempt to contact (i.e. by phone, in person, via text message, or email) their supervisor at least one (1) hour prior to the beginning of their work day to inform the supervisor of the unexpected need to utilize comprehensive leave.

It is the responsibility of the employee to maintain an appropriate level of leave sufficient to cover time lost in case of an unforeseeable event. If an employee does not have enough leave left, they will have their benefits prorated accordingly for time missed from work. More than one occurrence of missing work without having enough leave to cover time lost may result in disciplinary action.

8.3 Comprehensive Leave at Termination

Employees leaving municipal service with accrued comprehensive leave shall be paid the amount of accrued comprehensive leave to the date of termination, inclusive of a prorated accrual of comprehensive leave based on full-time hours worked in their final month of employment prior to permanent separation. Payment for accrued comprehensive leave shall be at the employee's current rate of pay, or as required by law, and shall occur at the next regular pay date in the payroll period of the date of termination.

8.4 Comprehensive Carryover/Payouts

No employee shall be able to accrue comprehensive leave in excess of eight hundred and fifty (850) hours. When an employee reaches a comprehensive leave balance of eight hundred and fifty (850) hours, their accrual shall stop until which time their balance falls below eight hundred and fifty (850) hours.

In the event an employee is not permitted to schedule and take leave as caused by the Town, which would result in the employee exceeding the accumulation limit, the employee may request the Town Manager to consider the reasons for exceeding the cap and may be granted a ninety (90) day extension of time, in which leave time will be scheduled that will bring the employee's accrued time below the eight hundred and fifty (850) hour limit. One (1) additional ninety (90) day extension may be granted.

Employees may request a payout of comprehensive leave twice annually, not to exceed a combined total of two hundred (200) hours, once during the second quarter of the calendar year and again during the fourth quarter of the calendar year. All such requests will be processed, and payouts made in accordance with a schedule established by the Town Manager, or designee. Employees will be provided ample advance notification of the schedule. Members requesting a payout must retain an accrued comprehensive leave balance of not less than two hundred and forty (240) hours. Payouts will be made at the employee's current regular rate of pay. Employees may elect to take their payout as cash or may elect to deposit their payout through payroll into an eligible 457(b) plan pursuant to applicable state and federal laws.

The Town Manager may authorize payouts at other times upon the specific written request of an employee, but only if extraordinary circumstances warrant such consideration.

8.5 Comprehensive Leave Accruals

Employees accrue comprehensive leave based upon their length of continuous service as determined by their anniversary date according to the following schedule:

Date of hire in full-time status until two-year anniversary	16.67 hours/month
Two-year anniversary	18.67 hours/month
Five-year anniversary	20.67 hours/month
Ten-year anniversary	22.67 hours/month

8.6 Parental Leave

The Town and the Association acknowledge that the California Government Code provides a number of employee benefits for pregnancy, childbirth, and related conditions. The Town provides parental leave in accordance with applicable state and federal law. The Town will provide up-to-date and current information on the benefits provided and shall make all such information available to an employee upon request. Such information will be available from the Human Resources Department.

The requirement for integrated use of leave time to coordinate with the Family and Medical Leave Act (FMLA), the California Family Rights Act (CFRA), or other qualifying event may be limited to allow the employee to retain not more than a combined total of eighty (80) hours of paid leave in their leave banks.

8.7 Family and Medical Leave

The Town and the Association acknowledge that state and federal law requires employers to grant family and medical leave under specified circumstances. The Town provides family and medical leave in accordance with applicable state and federal law. The Town will provide up to date and current information on the benefits provided and shall make all such information available to an employee upon request. Such information will be available from the Human Resources Department.

Employees that have a FMLA or CFRA-qualifying event will receive FMLA or CFRA benefits. Those who are also eligible for other benefits such as State Disability Insurance (SDI) or Paid Family Leave (PFL) benefits must utilize paid leave, in accordance with state and federal law on a prorated basis to supplement their additional payments and continue to receive the benefits provided under the FMLA and CFRA laws.

The requirement for integrated use of leave time to coordinate with FMLA, CFRA, or other qualifying event may be limited to allow the employee to retain not more than a combined total of eighty (80) hours of paid leave in their banks.

8.8 Military Leave

The Town and the Association acknowledge that both state and federal law requires an employer to grant an employee leave for specified military service. The Town and the employees in the unit of representation agree to absolute compliance with the law.

8.9 Jury Duty

Employees shall receive full compensation for serving on Jury Duty, provided that Juror Pay (not including mileage) received by the employee is paid to the Town.

8.10 Leave Without Pay

The Department Head may approve an employee's request for up to forty (40) cumulative hours of leave without pay per calendar year. Leave without pay may be granted only after all accrued leave has been exhausted. All benefits, including but not limited to, leave accrual, health insurance, and retirement shall be reduced proportionally to the reduction in work hours.

8.11 Unpaid Leave of Absence

The Town Manager may approve an employee's request for up to a six (6) months unpaid leave that will guarantee that the member shall retain permanent status upon return. Requests for a leave of absence will be made in writing to the Town Manager and shall contain all relevant facts and circumstances in support of the request. The Town Manager's approval of a leave of absence is discretionary; however, the primary consideration in reaching a decision to grant or deny a leave of absence shall be the efficient and orderly operation of the Town and the affected department. All benefits, including but not limited to, leave accrual, health insurance, and retirement shall be terminated for the duration of the leave of absence, except as otherwise required by law. All accrued leave balances must be exhausted before the employee may go onto an unpaid leave of absence.

8.12 Catastrophic Leave

The Town has a policy that allows employees to donate their leave to other employees that have suffered a catastrophic event and have exhausted all types of leave at their disposal. An employee who is eligible to receive other benefits such as SDI or Workers' Compensation benefits may receive Catastrophic Leave on a pro-rated basis not to exceed the employee's normal rate of pay. Information related to Catastrophic Leave shall be available from the Human Resources Department.

8.13 Administrative Leave

Due to the nature of exempt positions, employees shall receive paid administrative leave. The amount of time assigned per fiscal year shall be eighty (80) hours. Administrative leave may not be carried over into the next fiscal year.

ARTICLE 9: Worker's Compensation

9.1 Industrial Accident and Illness Leave

Industrial accident leave shall be granted as required by law.

9.2 On-the-Job Injury

Whenever an employee is absent due to an illness or injury arising out of and in the course of employment, the unit member shall receive full compensation, less any Workers' Compensation insurance benefits received, during the first fifteen (15) working days of such absence without

deduction from accrued comprehensive leave. Thereafter, if the employee is still properly absent from duty, they may receive, from accrued comprehensive leave, if any, an amount equal to the difference between the amount the member receives as Workers' Compensation insurance benefits and the amount of their regular compensation until the unit member returns to work or accrued leave is exhausted. If comprehensive leave is exhausted, then the unit member will be compensated at the statutory rate under the current Workers' Compensation regulations by the Town's Workers' Compensation Insurance carrier. All benefits, including but not limited to, leave accrual, health insurance, and retirement, shall be reduced proportionally to the reduction in work hours; exceptions to the pro-ration may be considered by the Town Manager.

ARTICLE 10: Health Insurance Benefits

10.1 Health Insurance Benefits

Employees and their dependents shall be eligible for coverage under the Town's health plan, subject to the plan's terms and conditions.

10.2 Flexible Benefit Section 125 Program and Benefit Stipend

The Town will contract with CalPERS for health insurance for the period of this Agreement. The Town will maintain a flexible benefit program.

- a. Employees and their dependents shall be able to participate in the CalPERS Health Program.
- b. The Town shall contribute the minimum amount required by state law per month per retired employee as the "employer contribution" to the cost of the premium for the health program, should the employee elect to participate in the plan. This is otherwise known as the PEMHCA minimum.
- c. The Town will provide a monthly contribution to each employee in an amount equal to the cost of coverage under the CalPERS Health Insurance Plan based upon the employee's dependent status definition under the CalPERS Health Benefit Program as "employee," "employee plus one," or "employee plus two" for the employee's flexible (cafeteria) account. This amount is inclusive of the "employer contribution" for the CalPERS Health Program premium.
- d. Employees who do not elect to take the Town's health insurance must provide proof of health coverage provided by their spouse or domestic partner's employer (or other group coverage in accordance with applicable state and federal law) and shall be eligible to receive a benefit stipend of six hundred dollars (\$600.00) per month. Payments from the Town that the employee receives in lieu of the contribution to the flexible spending (cafeteria) account, shall not be considered an increase in base compensation and shall be taxable pursuant to IRS regulations.

10.3 Vision and Dental Health Reimbursement Arrangement (HRA) Plan

Employees may participate in the Health Reimbursement Arrangement (HRA) Plan as established by the Town to reimburse employees for vision and dental expenses as defined by IRS Publication 502 and the Town's Vision and Dental Policy. Employees who participate shall be eligible for reimbursement up to a total of one thousand five hundred dollars (\$1,500) for employees and eight hundred dollars (\$800) for each eligible dependent (as defined by HRA guidelines specified in IRS Publication 969) per fiscal year, which total may be combined for the use of either the employee or any of their eligible dependents. When two (2) regular, full-time Town employees are considered to be eligible dependents of one another, they shall not be covered by each other, and their dependent children may only be covered by one (1) parent.

New employees not employed by the Town for the full fiscal year shall be entitled to a pro-rata reimbursement amount upon hire. Up to eighty percent (80%) of the unused portion of the total benefit, (not to exceed two thousand dollars (\$2,000) per year for employees with less than one (1) year of service with the Town) may be "rolled over" from one fiscal year to the next, for a total of not more than three (3) fiscal years. For purposes of identifying the unused portion, receipts for services performed in the previous fiscal year must be submitted within sixty (60) days of the beginning of the new fiscal year. Employees must be in regular, full-time status with the Town at the time the vision/dental services were performed.

The current fiscal year benefit amount will be used to pay all reimbursement requests. Once the current fiscal year benefit amount is exhausted, rollover benefit amounts from previous years will be used to fund the reimbursement requests. "Rollover Year 1" benefit will be accessed first for reimbursement requests. Then, "Rollover Year 2" benefit amount will be accessed for reimbursement requests. Finally, if the current fiscal year and "Rollover Year 1" and "Rollover Year 2" benefits have been exhausted, "Rollover Year 3" will be accessed for reimbursement requests. Any amount remaining in "Rollover Year 3" sixty (60) days after the close of a fiscal year will no longer be available to fund reimbursement requests. Vision and dental services performed in the immediately preceding fiscal year shall be considered reimbursable. Requests for reimbursement for vision/dental services performed in years prior to the immediately preceding fiscal year shall not be eligible.

Eligibility for reimbursement ends on the last paid day of employment for expenses incurred prior to permanent separation from service. Employees must submit a request to Human Resources in writing prior to permanent separation to be eligible for reimbursement of vision or dental services received prior to their permanent separation. Exceptions to reimbursement are subject to HRA guidelines and Town Manager approval. Employees may elect to not participate in the reimbursement program by notifying the Human Resources Department with a written request to opt out of the plan.

ARTICLE 11: Deferred Compensation

The Town shall maintain an IRC Section 457(b) deferred compensation plan in good standing and shall make voluntary participation in the plan available to employees.

The Town shall contribute to a Town Section 457(b) deferred compensation plan for the benefit of the employees. Beginning on the first full pay period in July, 2023, the Town shall contribute fifty dollars (\$50) per pay period for twenty-four (24) pay periods per year into an approved deferred compensation plan. The Town shall contribute to the employees' Section 457(b) plan an amount equal to the amount contributed by that employee up to an additional twenty-five dollars (\$25). The maximum employer contribution shall not exceed a total of seventy-five dollars (\$75) per pay period, with a minimum employee contribution of twenty-five dollars (\$25) per pay period. Deposits shall occur as part of the first and second payrolls of each month.

Employees shall have sixty (60) days from their hire date to sign up for an eligible 457(b) plan to receive employer contributions retroactive to their hire date. Employees who sign up after sixty (60) days from their hire date will receive employer contributions beginning on the next applicable pay period and the Town's contributions will not be retroactive.

ARTICLE 12: Retirement Contribution

12.1 Employees covered by this Agreement will participate in the California Public Employees Retirement System (CalPERS). The Town shall maintain the employer contribution to CalPERS for the term of this Agreement.

Employees participate in CalPERS as follows:

- a. Employees hired before January 1, 2013, or "Classic Members" as defined by CalPERS (not new members per CCR 579.1(b)), shall receive the 2.7% @ age 55 retirement formula, highest thirty-six (36) month average final compensation period, the Fourth Level of the 1959 Survivor's Benefit, and a two percent (2%) retirement Cost of Living Adjustment (COLA). These employees shall pay the entire eight percent (8%) of the CalPERS employee's contribution on a pre-tax basis.
- b. Non-Classic employees (New Members - CCR 579.1(a)) hired after January 1, 2013 will pay the full CalPERS required amount to this plan in accordance with the Public Employee Pension Reform Act (PEPRA) employee's contribution on a pre-tax basis. Both parties recognize that this contribution will change from time to time and will be adjusted on the first full pay period of each fiscal year. New miscellaneous members will receive the 2% @ age 62 retirement formula, highest thirty-six (36) month average final compensation period, the Fourth Level of the 1959 Survivor's Benefit, and a two percent (2%) retirement COLA.

12.2 The Town agrees to maintain the employer portion of the contribution to CalPERS.

12.3 Participation in the CalPERS plan discontinues employee participation in the Social Security System related to Town employment.

12.4 All participation in CalPERS is subject to the contract between the Town and CalPERS and the interpretation of rules, regulations, and contract by CalPERS.

12.5 Employee “member contributions” shall be made pursuant to Internal Revenue Code (414)(h)(2).

ARTICLE 13: State Disability Insurance

Employees participate in State Disability Insurance (SDI). Under the California Unemployment Insurance Code, “disability” includes any illness or injury, either physical or mental, including pregnancy, childbirth, or related medical condition that prevents a member from doing their regular or customary work. Employee contributions shall be made via payroll on a pre-tax basis.

Employees who are eligible to receive SDI shall utilize paid leave on a prorated basis to supplement their SDI payments, in accordance with the Town’s Family and Medical Leave Policy and applicable state and federal law. All benefits shall be reduced proportionally to the reduction in paid leave hours utilized in accordance with the Town’s Family and Medical Leave Policy and applicable state and federal law.

ARTICLE 14: Dues Deductions

Employees may sign up for payroll deductions of Association dues with the Association. The Association will certify to the Town any new members of the Association.

Town agrees to deduct dues as established by the Association. The sum so withheld shall be remitted by the Town, without delay, directly to the Association along with a list of employees who have had such amounts deducted. As periodically requested by the Town, association agrees to provide a listing of all additions or deletions of membership or requested changes to establish payroll deductions of its members, to the Town.

The employee’s earnings must be sufficient after the other legal and required deductions are made to cover the amount of the dues authorized. When an employee is in a non-paid status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. All other legal and required deductions have priority over Association dues.

It shall be the sole responsibility of the Association to procure and enforce payroll deduction of dues.

The Association agrees to indemnify, defend, and hold harmless the Town, its officers, employees, and agents acting on its behalf from and against any and all losses, damages, costs, expenses, claims, demands, actions, suits, judgments, and other forms of liability arising out of the application or enforcement of this section. In no event shall the Town be required to pay from its own funds Association dues which the employee was obligated to pay, but failed to pay regardless of the reasons.

Any Association member who notifies the Town of their desire to discontinue dues deductions or otherwise withdraw from Association membership shall be referred back to the Association. The

Town agrees to continue all dues deductions until notified of a deduction change by the Association.

ARTICLE 15: Life Insurance

The Town will provide a term life insurance policy for employees in the amount of \$50,000, dropping to \$25,000 at age seventy (70). Dependents shall be eligible for coverage under the group life insurance policy in the amount of \$5,000; premiums will be paid by the Town.

On the regular pay date following ratification and adoption of this Agreement by the Town Council, all employees shall receive a one-time lump-sum payment of two thousand five hundred dollars (\$2,500) as an appreciation bonus. Employees must be employed by the Town on the date of payment to be eligible for this bonus program, employees may elect to have any or all the lump-sum payment deposited into an eligible 457(b) account, and the appreciation bonus payment shall be subject to all applicable taxes and withholdings.

Employees shall be eligible for an annual contingent payment based upon Transient Occupancy Tax (TOT) revenues received during the previous fiscal year, in order to allow them to share in the success of the Town. No individual payment shall exceed four thousand dollars (\$4,000). The amount will be based on eight percent (8%) of the TOT revenues that are greater than the amount budgeted to be received and retained by the Town (i.e., the amount does not include TOT allocated to outside agencies (Tourism, Housing, and Transit). The revenue sharing payment shall be calculated based on the total year end Town's share of TOT revenues above the original fiscal year TOT budget. This amount shall be divided by the number of all eligible, miscellaneous regular employees at the time of the payment to determine the amount per employee. In order to be eligible for this contingent revenue sharing payment, an employee must be (a) employed with the Town for some part of the fiscal year on which the calculation is based, and (b) be employed with the Town on the date the payment is made. Eligibility for this payment is not complete, and no right to this payment is earned, unless both of these criteria are satisfied. New employees who join Town service during any year who are not employed by the Town for the full fiscal year, but who are employed when the payments are calculated and paid, are eligible for a pro-rata payment based on regular hours worked, including part-time employment for employees that subsequently became full-time prior to the start of the fiscal year. Payments shall be deposited on the first regular payroll in August following the close of the

fiscal year on which the calculation is based. Payments shall be subject to applicable state and federal tax withholdings. Payments shall not be subject to retirement.
