

RESOLUTION 24-XX

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF MAMMOTH LAKES, STATE OF CALIFORNIA, INCREASING SOLID WASTE DISPOSAL CHARGES AND RATES IN ACCORDANCE WITH ARTICLE XIID OF THE CONSTITUTION OF THE STATE OF CALIFORNIA

WHEREAS, Article XIID of the California Constitution sets forth the procedures for a municipality to follow with respect to adopting increases in “property related fees” such as refuse service fees; and

WHEREAS, the Town of Mammoth Lakes (“Town”) entered into an exclusive 20-year Franchise Agreement with Waste Connections a.k.a. Mammoth Disposal (“Mammoth Disposal”) in October 2020; and

WHEREAS, the current solid waste rates were adopted with Town Council Resolution 22-95 on December 7, 2022, and have been in effect since January 1, 2023; and

WHEREAS, the current rates increase of 5.6% each year through December 31, 2026 also includes a Consumer Price Index (CPI) increase of between 1-4% based on actual CPI each year through December 31, 2027; and

WHEREAS, since the current rate structure was adopted, hauling costs to transport municipal solid waste from Mammoth Lakes to Russel Pass Landfill in Fallon, Nevada increased significantly on January 1, 2024; and

WHEREAS, Mammoth Disposal is requesting a one-time increase of 2.94% to the base rate to cover the increased hauling costs; and

WHEREAS, Mammoth Disposal is also requesting a separate fuel surcharge (FSC) based on the weekly price of diesel fuel as published by the US Energy Information Administration (<https://www.eia.gov/petroleum/gasdiesel/>) for California to be included as a passthrough cost on billings and not to exceed 6.1%; and

WHEREAS, Article XIID of the California Constitution requires that prior to the public hearing to increase refuse rates, the municipality mail to each property owner and/or customer subject to the fee, at least 45 days prior to such public hearing, a notice describing:

- a) the amount of the fee or charge to be imposed upon each parcel,
 - b) the basis upon which the amount of the proposed fee or charge was calculated,
 - c) the reason for the fee or charge, and
 - d) the date, time, and location of a public hearing on the proposed fee or charge;
- and

WHEREAS, the rates adopted hereby will replace Exhibit B of the Solid Waste Services Agreement between the Town of Mammoth Lakes and Mammoth Disposal Company setting forth rates for solid waste services; and

WHEREAS, on December 1, 2023, the Town mailed the notice of public hearing to be held on January 17, 2024, relating to the intention to increase solid waste disposal rates in the Town of Mammoth Lakes in accordance with California Constitution Article XIID Section 6 to all parcel owners receiving solid waste service in the Town of Mammoth Lakes and customers of Mammoth Disposal; and

WHEREAS, the Town has held such public hearing on January 17, 2024, and received and considered all oral and written protests related to the proposed increases in the refuse charges.

NOW, THEREFORE, BE IT RESOLVED by the Town Council of the Town of Mammoth Lakes as follows:

Section 1. The foregoing recitals are true and correct and incorporated herein by reference.

Section 2. The Town Council has fully considered this matter and has:

- A. Reviewed the agenda action sheet, staff report, notice and the information submitted herewith regarding the proposed increase, the parcels and customers to which the proposed fee increase would apply, and the reasons and basis for the increase and the fees; and
- B. Provided notice of the proposed fee increase to the record owners and/or customers responsible for payment of the fee of all parcels to which the proposed fee increase would apply in accordance with Article XIID of the California Constitution, and the number of such owners and/or customers being approximately 2,600; and
- C. Heard and received all objections, protests, or other written communications from any owners and/or customers of real property subject to the fee, and the number of such protests received orally or in writing being two; and
- D. Taken and received oral and documentary evidence pertaining to the proposed fee increase; and
- E. Been fully informed of this matter.

Section 3. The Town Council finds that of the number of owners and/or customers eligible to file protests, the number having filed such protests was two (2). The Town Council determines that written protests have not been received from property owners representing a majority of the parcels subject to the proposed fee increases.

Section 4. That based on these facts and circumstances presented and the information received during the public hearing, the Town Council finds that proposed increases in refuse rates are necessary in order for Mammoth Disposal to account for significant, unanticipated cost increases in its operations and accordingly, such rate increases and are hereby approved.

Section 5. That the approved refuse rate schedule over the next four years is attached hereto as Exhibit A and by this reference incorporated herein.

Section 6. The Town Council may adjust refuse rates from time to time by resolution over the period provided for on Exhibit A hereto pursuant to applicable law without a majority protest hearing but in no event shall the rates exceed the applicable maximum rate.

Section 7. Any resolution or portion thereof in conflict herewith relating to the increased refuse rates described herein is hereby repealed to the extent of such conflict and of no further effect to the extent of such conflict.

Section 8. The revised rates and charges approved and established herein shall take effect on February 1, 2024.

Section 9. The approved rates as provided for herein, and attached here to shall replace the current Exhibit B in the Solid Waste Services Agreement between the Town of Mammoth Lakes and Mammoth Disposal Company, being adjusted, and adopted pursuant to the requirements of Article XIID, Section 6, of the California Constitution as proved for in Section-22 Compensation of the Solid Waste Services Agreement

Section 10. The Town Clerk shall certify as to the adoption of this Resolution.

APPROVED AND ADOPTED this 17th day of January 2024.

BILL SAUSER, Mayor

ATTEST:

JAMIE GRAY, Town Clerk

*Fuel Surcharge (FSC) on Trucking is not included in the base rate for any year. It is a separate component and line item starting February 1, 2024. The FSC rate will be adjusted up/down every 6 months based on fuel pricing published in the Energy Information Administration (EIA) statistics. The FSC will be averaged over a 6-month period each February 1 and August 1, providing time for review and implementation on July 1 and January 1, respectively. The FSC will not exceed 6.10% annually, and the Franchise Fee of 9.50% is not applied to the FSC.
