

Mammoth Lakes Town Council Agenda Action Sheet

Title: Adopt the resolution authorizing submittal of application(s) for all CalRecycle grants for which the Town of Mammoth Lakes is eligible.

Council Meeting Date: 6/19/2024

Prepared by: Pam Kobylarz, Assistant to the Town Manager

Recommended Motion: Adopt the resolution authorizing submittal of application(s) for all CalRecycle grants for which the Town of Mammoth Lakes is eligible.

Summary: The Town, in partnership with Mammoth Disposal, has applied for approximately \$2,000,000 under the CalRecycle Beverage Container Redemption Innovation Grant Program (RIG). The RIG program was established to support and enhance recycling programs, including the purchase of equipment and to expand outreach. The grant program requires that the Town adopt the attached resolution, which authorizes Mammoth Disposal to be included as a sub-applicant for this and future grant funding programs.

If awarded, the Town and Mammoth Disposal intend to use the funding to purchase a variety of equipment to support the buyback center and increase efficiency at that facility, as well as to expand participation and awareness regarding the CRV program.
