

TOWN OF MAMMOTH LAKES
INVESTMENT POLICY
Fiscal Year 2024-25

I. Scope

The Town's Investment Policy establishes a framework for prudent investment of the Town's resources. This Policy is intended to apply to all funds and investment activities under the direct authority of the Town of Mammoth Lakes.

II. Definition of Treasurer

The Finance Director, or Finance Manager as designee to perform the duties, serves as the Town Treasurer.

III. Objectives

- A. SAFETY: It is the primary duty and responsibility of the Treasurer to protect, preserve and maintain cash and investments placed in his/her trust on behalf of the citizens of the community.
- B. LIQUIDITY: An adequate percentage of the portfolio should be maintained in liquid short-term securities, which can be converted to cash if necessary to meet disbursement requirements. Since all cash requirements cannot be anticipated, investments in securities with active secondary or resale markets is highly recommended. Emphasis should be on marketable securities with low sensitivity to market risk.
- C. YIELD: Yield should become a consideration only after the basic requirements of safety and liquidity have been met.
- D. MARKET-AVERAGE RATE OF RETURN: The investment portfolio shall be designed to attain a market-average rate of return throughout budgetary and economic cycles, taking into account the Town's risk constraints, the cash flow characteristics of the Town's portfolio, and State and Local laws, ordinances or resolutions that restrict investments.
- E. DIVERSIFICATION: The investment portfolio will be diversified to avoid incurring unreasonable and avoidable risk regarding specific security types or individual financial institutions.
- F. PRUDENCE: The Town's investment strategies shall adhere to the guidance provided by the "prudent man rule", which obligates a fiduciary to insure that:

"...investment shall be made with the exercise of that degree of judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation but for investment considering the probable safety of their capital as well as the probable income to be derived."

G. PUBLIC TRUST: All participants in the investment process shall act as custodians of the public trust. Investment officials shall recognize that the investment portfolio is subject to public review and evaluation. The overall program shall be designed and managed with a degree of professionalism that is worthy of the public trust. In a diversified portfolio it must be recognized that occasional measured losses are inevitable and must be considered within the context of the overall portfolio's investment return, provided that adequate diversification has been implemented.

IV. Delegation of Authority

The Treasurer and the Town Manager shall act jointly to make investments on behalf of the Town of Mammoth Lakes. Neither the Treasurer nor the Town Manager has authority to make investments independently of the other. An Investment Summary Sheet (Exhibit A) shall be signed by the Treasurer and Town Manager for all investments other than LAIF. XII. Annual Review and Confirmation of the Investment Policy

The Investment Policy shall be reviewed and confirmed annually by the Town Council of Mammoth Lakes.
