LESSONS, SWIM TRAINING AND COMPETITION

WHITMORE SWIM SCHOOL

Whitmore Pool's aquatics classes are based on the guidelines of the American Red Cross "Learn-to-Swim Program". Designed for all levels and ages, classes allow participants to develop safe habits in, on and around the water, become comfortable in the water, learn, and refine swim strokes and techniques, and become stronger, safer swimmers. In addition, Whitmore Swim School has created a smaller, more custom program with lower student/teacher ratios for younger age groups, allowing for optimum teaching time.

Inclement Weather Policy:

Please note that pools close due to inclement weather conditions. However, not all swim lesson classes are cancelled. We ask that students show up for their regularly scheduled class, unless instructed to do otherwise. Instructors can conduct “Water Safety” lessons in a classroom situation. Should this occur more than once during a session/program, the class may be rescheduled.

Cancellation/Rescheduling Policy: All swim lessons are filled on a first-come, first-served basis. Swim lessons are closed when maximum enrollment is met. The Parks and Recreation Department reserves the right to cancel or postpone any activity due to inclement weather or low enrollment. A full refund will be made if the Parks and Recreation Department cancels an activity. A \$40 service fee will be imposed for all returned checks and could result in refusal of future participation. All participant cancellations received more than 14 days prior to the start of the activity will receive a refund, less a 10% processing fee. Participant cancellations received less than 14 days prior to the start of the swim lessons are not refundable. Please allow 1-2 weeks processing time for any refunds. The Whitmore Pool **does not** provide make-up classes in the event a participant misses a scheduled lesson.
